

Agenda 9-2-11
***No Homework!**

Supplies:
***Blue or black pen to take the test**

- Focus 9-2-11**
- 1.Name the ocean or continent where the Prime Meridian and Equator intersect. **Atlantic Ocean**
 - 2.What Latitude line divides the earth into Northern and Southern Hemispheres? **The equator**
 3. What Longitude line divides the earth into Eastern and Western Hemispheres? **The Prime Meridian**

After the test...

*Turn in your MAP TEST& answer sheet in the tray on the front table. You may throw away word bank if you marked on it.

*Complete the Mountains worksheet and KEEP it; place behind Map Tab.

---Do the Challenge on the back by going to Wikipedia.com and when there type in **7 summits** . Scroll down until you see the table with the mountain names and location information.

*When you are finished with all of above, go to **Brain Pop**:

Log-in: bhis Password: aloha

Then type EVEREST in the search box. Watch the movie and do the worksheet; pause as needed. KEEP and place in binder.
